OFFICE OF LEGISLATIVE COUNSEL

Friday - 3 June 1977

1. [] LEGISLATION Talked with David Schaefer, Counsel, Senate Committee on Governmental Affairs, regarding S. 555, the special prosecutor and financial disclosure bill. Schaefer said that the bill has been reported out of that Committee and referred to the Senate Judiciary Committee. He also said that the Committee will still hold hearings on several amendments dealing with blind trust and possible Government employment. He did not expect any changes in S. 555 as a result of these hearings.

2. [] LEGISLATION Received a call from Nanette Blandin, OMB, and we discussed H.R. 1306, the "National Resource Information Act." Ms. Blandin then cleared our report on the bill, which will be sent to the House Interstate and Foreign Commerce Committee.

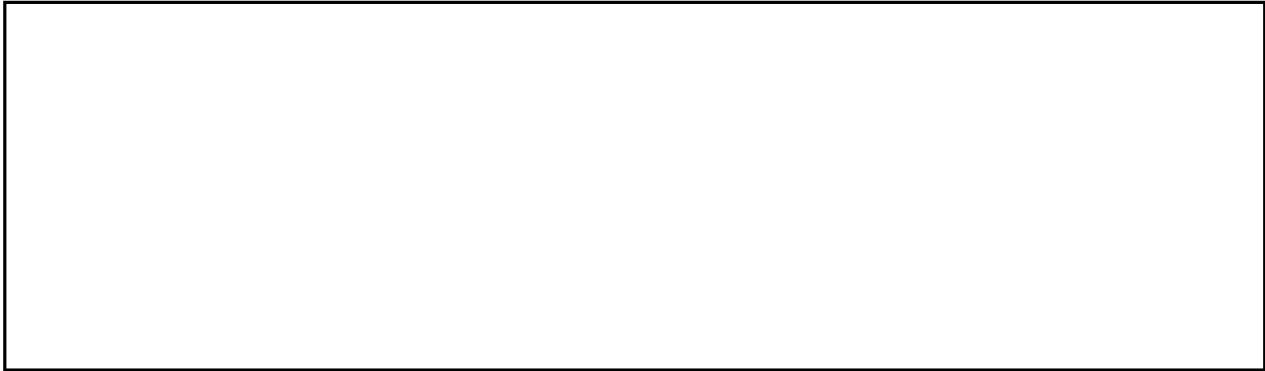

5. [] LIAISON Met with John Elliff and Anne Karalekas, Senate Select Committee on Intelligence staff, for approximately one hour and reviewed their memorandum regarding the 19 May meeting with CIA and Justice Department officials on reporting to the Committee on intelligence activities involving Americans. I told Elliff and Karalekas that I thought there was a basis for agreement in their memorandum but that two areas, on CIA counterintelligence investigations of Americans and foreign intelligence collection involving Americans, needed further clarification. For this purpose, Elliff asked to meet with CI Staff and [] Division officials.
